

how many

How many cars
have you got
altogether?

Playing with toy vehicles and play people

EARLY
CHILDHOOD
MATHS GROUP

direction

My car is going
over / under /
around the bridge.

size

Which do you think is
the biggest / smallest
car? Why do you think
that?

size & shape

Can we make a car
park / garage to fit
these cars?

counting

Here is a bus stop. Let's line up all the people to catch the next bus... it's late, there's a long queue. How many are waiting now?

perspective

What can the driver of the silver car see?

position

Let's line up all the cars – where will the red car go? What about the blue one – maybe next to / behind / in front of the red car?

length

Which car goes furthest when we roll these down the ramp?
